Re: *Expanding Flexible Use of the 12.2-12.7 GHz Band, WT Docket No. 20-443*

Dear Ms. Dortch,

Through this erratum, RS Access writes to correct two citations to the record in our October 19 letter.¹ Footnotes 10 and 20 of our letter cite to a letter from SpaceX dated October 18. The date was incorrect. The footnotes were intended to refer the reader to SpaceX's October 13 filing in this docket.² Please contact me with any questions regarding this matter.

Sincerely,

/s/ V. Noah Campbell
